The music of **Dust** was originally written for the Axis Dance Company and choreographed by Victoria Marks. This excerpted version adds text from Ezekiel about unwanted visionary experiences. **Dust** is October 5th in my ongoing project, **A Book of Days**.

The piece can be performed by a female or male singer, or by any instrumentalist whose instrument is right for the solo part. Please get in touch with me if you'd like a different clef or transposition.

Dust

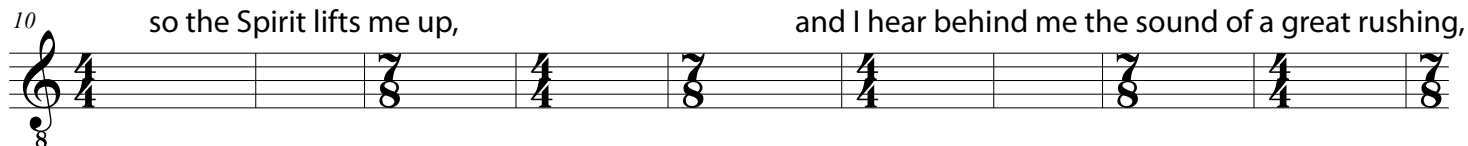

music: Eve Beglarian

text: Ezekiel 3:12-14

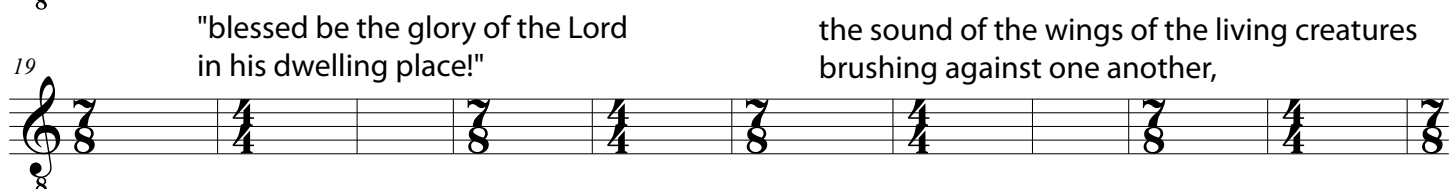

$\text{♩} = 100$

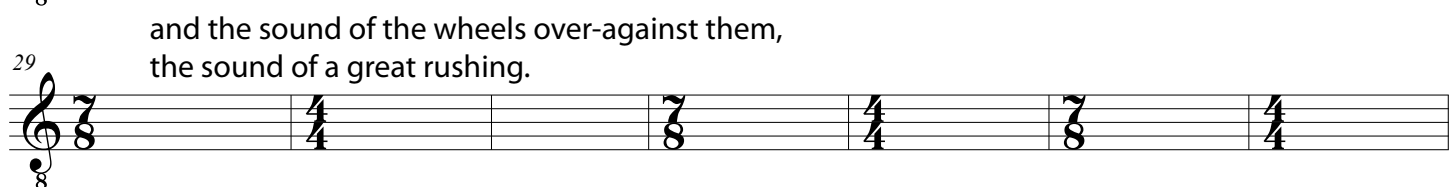

10 so the Spirit lifts me up, and I hear behind me the sound of a great rushing,

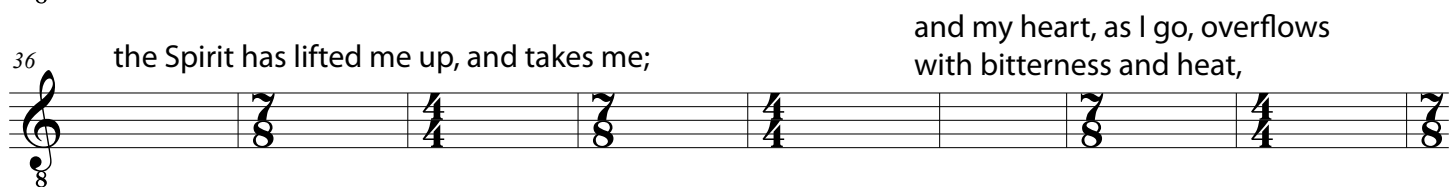

19 "blessed be the glory of the Lord in his dwelling place!" the sound of the wings of the living creatures brushing against one another,

29 and the sound of the wheels over-against them, the sound of a great rushing.

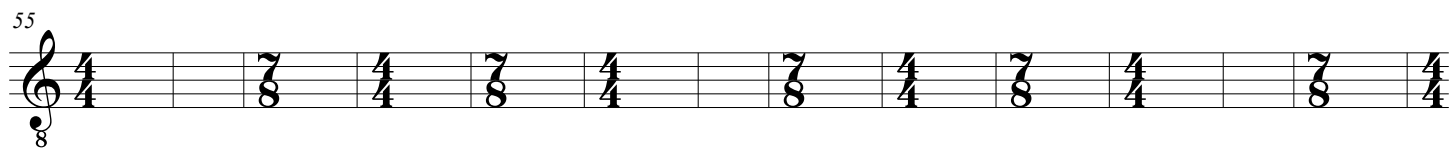

36 the Spirit has lifted me up, and takes me; and my heart, as I go, overflows with bitterness and heat,

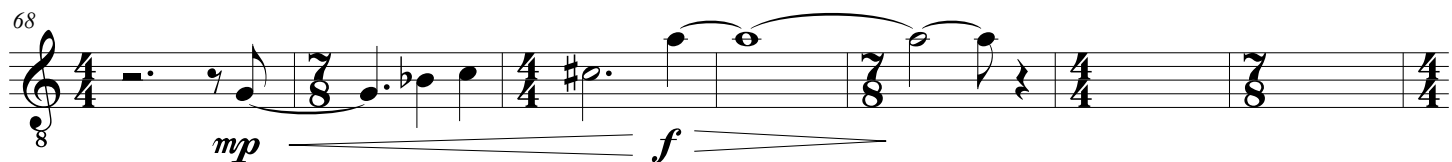

44 and the hand of the Lord is heavy upon me.
