**Enough** was written for an evening of political songs organized and performed by Dora Ohrenstein, Kathleen Supové, and Robert Black. It is a setting of one of William Blake's Proverbs from ***The Marriage of Heaven and Hell***: "You never know what is enough unless you know what is more than enough." As you will notice, the piece devolves into the Bach chorale ***Es ist genug*** (it is enough) at the end.

A larger ensemble version of the piece is the final section of my piece ***The Marriage of Heaven and Hell***.

The piece is May 23rd in ***A Book of Days***.
